

**CHEDOKE MINOR HOCKEY LEAGUE
PICTURE SCHEDULE 2017**

Players must be ready 15 minutes prior to the listed time.

Each player will receive a composite photo (individual/team) courtesy of the league.

Every player must submit a completed order form even if you are not ordering additional pictures.

Players DO NOT need to wear skates this year as the images will be from the shins up.

Gloves and stick are required. No helmet.

Given changerooms can be still occupied at your scheduled time, we strongly recommend your players come to the rink already dressed.

Future Stars will be processing more than 450 players in two days.
Please use your best efforts to be on time to keep the schedule going.
